Synopsis. pandoc [options] [input-file]... Description. Pandoc is a Haskell library for converting from one markup format to another, and a command-line tool that uses this library.

### **Pandoc - Pandoc User's Guide**

A user guide, also commonly known as a technical communication document, is intended to give assistance to people using a particular system. It is usually written by a technical writer, although user guides are written by programmers, product or project managers, or other technical staff, particularly in smaller companies.
